Part B for Jan 45

SUBJECT.

Financial accomodat
in his private filatures

Request of the Vellum Parachute Co. for a letter from Govt. disowning their rights on the machinery relating to 325 basies, to enable them to raise funds for completing 500 basies.

Letter dated 24.11.1943 from Mr V. Sundaramurthy, President of the Vellum Parachute S IN Gorikhanna, Stating that the advance given from Govt on capital expenditure ~~is insufficient~~ and requesting Govt to give him a letter disowning their right on the machinery relating to 325 basies erected by him, to enable him to raise funds on its security and to complete Erection of 500 basies.

1) As per G.O. D. 5378-89/Sein 143-41/2 dated 17.2.1943, M/s Vellum Parachute Co. is entitled to receive Rs. 3,50,000/- (half the sum of Rs 7 lakhs) estimated towards capital expenditure for the erection of 500 basies. So far the Compa has received Rs. 3,34,085/8/- upto end of 23.10.1943 and a bill for Rs. 3,450/- is pending payment towards Capital Expenditure. The P.W.D is for perusal and orders. It may be noted that of the 3 2nd Rs. private participants in the S.P.B Scheme, this is the only firm that has raised the question of increased capital advance. Besides, double the value of capital advanced has to be available in the total work (Capital) under clause 8 of the Agreement. Also it depends on the working of the Govt Basies. The matter may be referred to the S.O for 2/12 2) The ~~this~~ question of revising figures re Capital expenditure mentioned at the last Exp. Committee re

C. No. 22 dated 19th January 1944

e) The question of increased loans towards capital expenditure required by private filatures interests (in view of the increase in the cost of materials) was discussed with the Officers of the Supply Department at Delhi. The Deputy Financial Adviser Mr. Ratnam was also

WD 01809—GPB—60,000—26-1-43

the filature interests should be granted increased loans subject to the limit of half the cost of the construction per basin at Kankanhalli Filature and subject also to the guarantee of the Mysore Government for the due repayment of the loans.

10) The revised estimates for the Government Filature at Kankanhalli are under preparation and are expected to be ready early in February 1944. As per original estimate prepared in October 1942, the total capital expenditure per basin amounted to about Rs 1,450/- only. Due to increased costs in material, the revised estimate is expected to indicate a cost of about Rs 1,900/- only. This is the approximate figure furnished orally to Minister for Revenue and Law by the Assistant Engineer on 6th January 1944. Accurate information can be had when all the works are actually completed.

11) The Mysore Spun Sulk Mills,Ltd., originally estimated the capital cost at Rs 1,250/- per basin and it was stated on 6th January 1944 that the actual cost would be over Rs 1,800/- per basin. The Mysore Silk Filatures,Ltd., originally estimated the cost per basin at Rs 1,200/- only and it was stated on 17th January 1944 that the actual cost would be about Rs 1,600/- per basin. The works are not yet completed in both the above places. The Mysore Silk Filatures,Ltd. had the advantage of having placed orders for materials and having actually bought some materials before the agreement was signed and when the markets were still favourable.

12) All the filature interests concerned have been given priority assistance whenever asked for and whenever necessary.

13) The Vellum Parachute Silk Co.,Ltd., had not apparently prepared any well thought out estimate of cost of machinery, buildings etc. at the commencement.

Besides, some existing buildings had been taken over by this Company and considerable amount of repairs have been done for these buildings. In the absence of plans and estimate it is not possible to say whether the expenditure incurred was essential. The Assistant Engineer, Filature Expansion Scheme has been deputed to value the amount of work done so far.

(5) Based on the approximate figures of the Kankanhalli Filature, a sum of about Rs 1,22,500 may have to be given as increased loan to Vellum Parachute Silk Co. I do not think it desirable to permit the Company to raise loans from a Bank on the security of the properties already pledged to Government towards the loans of the Government of India.

(6) I agree

Camp Mysore,

(pmd)

28) The letter of the SO. is for perusal. as also extract of the proceedings of the S.F.E.^x Comte meeting held on 1.2.44 re: the increase in capital cost.

29 It was originally estimated that the capital cost would be Rs 1400/- per basin (Rs 1,418/- to be exact) according to the terms of the contract Govt agreed to advance half of this viz. at Rs 700/- per basin. It is now estimated on the basis of current level of prices that the maximum per basin would be Rs 2000/- per basin. The figure given by the Mys. & Kalahe is Rs 1600/- per b so It was felt that the capital cost should be reasonably enhanced. The Govt of India have not been addressed in the matter. Letters were written to Mr Targett re (1) manufacting charges (2) working capital & (3) rate of profit.

N.B.—Should routine notes be written on small slips.

increase of the ~~capital~~ grants for capital cost to private filatures.

File No.
Current No.

We have heard from the Govt of Bihar re (2) & they have enhanced the working capital to ~~Rs~~ 1,600/- (from Rs 1,000/-) per basin.

3) Reference is invited to item (2) of part III of the Schedule attached to the S.O dated 17.2.43. The maximum/ for the private concerns not fixed at a definite figure as in the case of working expenditure (which is Rs 1000/- per basin) but is dependent on the expenditure incurred for the Govt filature at N.W. Halli. The S.O states that on the basis of the information available, the cost for N.W. Halli filature is Rs 2065/- per basin. A maximum of Rs 2000/- may be prescribed for the private filatures. It does not appear necessary to approach the Govt of Bihar for formal sanction. They may be informed that the maximum limit has been raised from Rs 1,400/- to Rs 2,000/- per basin. It does not appear necessary to issue any formal order either. The S.O may be authorised to entertain bills up to this limit and then sanction after satisfying himself that the amount claimed has been actually spent ~~& certificating~~ along with a certificate to this effect.

CHIEF SECRETARY

6 MAR 1944
GOVT OF MYSORE

Increase of grant towards capital cost to Private Flatins.

Continuation Sheet. File No. Current No. 38485 5095

Resubmitted as per instructions.

The question of increasing the loans towards capital expenditure required by private Flatins between during the discussions held on 8th, 9th, 10th & 11th Decr 1943 at which Mr Govinda Rao was present. was discussed in Delhi

Increasing the loans was agreed to subject to the limit of half the cost of construction per basin at K.K. halli Flatins + also to the guarantee of Mysore Govt for the due repayment of interest loans. — vide record note of discussions & the SO's report.

This agreement is in consonance with the G.O. dated 17.2.43.

2) Regarding the increase in the capital expenditure for the K.K. halli Flatins, reference is invited to the report of the Asst Engineer to the S.O. (this letter dt 29.1.44). Taking all items of capital expenditure into consideration, he has revised the original estimates & they are as follows:

	Original	Revised
1. Land & Bldgs	Rs 1,15,462-0-0	1,77,000-0-0
2. Machinery	Rs 1,69,500-0-0	2,136,100-0-0
Total	2,84,962-0-0	Rs 4,13,100-0-0 or
or Rs 1425/- per basin or in round figures Rs 1400/-		Rs 2,065/- per basin or round figures Rs 2000/-

3) The S.O. states that the actual expenditure can be worked out only after the completion of the works & that Rs 2000/- may be taken as the maximum

on the information now available.

3) Dft G.O. noted for consideration as per instructions.

D. 96. Dated 28.9.44.

"R"

Letter No. A 298 Dy. 11.10.44 fm the S.O., Furnishes revised proposals in respect of the financial accommodation required by the private Filatures.

59 Reference is invited to Gr. O. No. DS378 83/Seri/43-41-12 Dy. 17.2.43 Wherein the amount to be advanced to the Filatures towards capital & working expenditure has been fixed. Since the

maximum limits for advances towards capital working expenditure have been raised, there is variation in the said figures. The S.O. has now sent a statement showing the financial accommodation required by the localities. The total amount towards capital expenditure claimed from & sanctioned by the Govt. of India is Rs 11,93,000/- as against the sum of Rs. 12,60,000/-. The difference of Rs 67,000/- has now to be claimed & the Govt. of India has to be addressed in this behalf. But it is noted in this connection that the M.S.F. Ltd. and M.S.S.M. Ltd. have not drawn the full amount of advances sanctioned for capital working expenditure - in these circumstances whether it is necessary to ask the Govt. of India to ~~place~~ send this addl amount of Rs 67,000/- ~~at the~~ to this Govt. when there is still money available out of the funds already sent by the Govt. of India is for orders.

~~Draft letter in connection with the proposed recommendation received from the Localities to keep off the charges recommended to be made for supervision.~~

60 As regards, cost of training labour & supervisory staff the amount sanctioned in the Govt. Of 17.2.43 is Rs. 1,40,525/-. But the final amount already ~~is~~ paid to the Localities is Rs. 1,46,322-8-0. The excess of Rs. 5807-8-0 is the amount paid to the M.S.F. Ltd. for the 50 addl. basins erected by the Company & the Govt. of India has been requested in his office letter No. D 69 Secy 121-42-25 dt 26.7.44

the sanction this department also to apply from the Govt of India is awaited. Approval of Govt of India to this amendment are awaited for issue of a consolidated + revised Govt. in this behalf

P/C

The Secretary to Government has been requested vide D.No. 5836 dated 31/5/45 to furnish the information required in the reference, explaining the stages leading to the issue of the present G.O., as also furnishing the delay in submitting the file.

MS

86 As instructed, particulars in the matter have been put up.

87 The following note explaining the stages leading to the issue of the present G.O., is also put up:

88 G.O. No. 17/2/45 IC sanctioned the participation of private Flatings, Messrs. the Mysore Silk Flatings Ltd., the Mysore Spun Silk Mills Ltd. and Vellore Parachute Silk Co., in the Silk Flatings expansion Scheme, the govt. of India agreeing to afford financial accommodation to the Participants, as detailed in the G.O., towards Capital expenditure, working capital and the Cost of training Labour & supervising staff. The govt. of India

89 The govt. of India had originally agreed to advance (a) half the Capital expenditure estimated at Rs 7000/- per basin and (b) working Capital required subject to a maximum of Rs. 1,00 per basin and also an assign contribution towards the Cost of training Labour and supervising staff required amounting to a lu

90) In view of the increased outlay necessitated by the rise in operating costs the govt of India agreed to increase the maximum limit of advance for working Capital from Rs 1000/- to Rs 1,600/- per train. This decision of the govt of India was communicated to the Spl Officer in this office letter of 6/3/44. Flag D Secy 96-43-170

91) Likewise the govt of India agreed to increase the advance payable towards Capital expenditure to Rs ~~1000/-~~ ~~for train~~ against Rs 700 previously allowed and the correspondence relating to the subject may be recorded in G.O. of 16/3/45. 'A' 1944 Flag 'L' Secy 96-43-17

92) In regard to the Cost of training labour and supervising staff, in addition to the amount of Rs. 1,40,525 originally sanctioned, the govt of India ~~also~~ sanctioned a further sum of Rs 5,807:8:0 for the 50 additional trains (550+50) ordered by the Chief Controller Rly.

93) The present G.O only means to record these modifications and to indicate,

the maximum financial accommodation that may be given to the Provincial Ratings in view of these revisions, ~~in this~~

Duplicate Copy to S.O.

DEPARTMENT OF SERICULTURE.

Office of the Special Officer,
Filature Expansion Scheme,
No. 162, Vani Vilas Road,
Basavangudi P.O.,4th Febry.1944.

To

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

Subject:- Increased assistance towards capital grant to private filature interests.

With reference to your letter No. D. 4982 dated 31st January 1944 on the above subject, I have the honour to submit herewith copy of letter No.277 dated 29th January 1944 from the Assistant Engineer, Government Filature, Kankanhalli, furnishing details of capital cost per basin. The actual cost can be worked out only after the completion of the works. The figure of Rs 2,065 per basin is arrived at on the basis of the information available now.

I may add that this question was considered at the meeting of the Silk Filature Expansion Committee held on 1st February 1944 and it was estimated that the maximum per basin is roughly 2,000/-.

I have the honour to be,
Sir,
Your most obedient servant,
[illegible]
Special Officer.

tter No. 277 dated 29th January 1944, from the Assistant Engineer, vernment Filature, Kankanhalli.

I have your D.O. regarding revised estimates of Capital penditure of the Government Silk Filature, Kankanhalli. I note low the expenditure under the different heads:-

EM 1. 'Machinery' in Annexture II to the Government Order sanctioning the works in No. D.5309-14/Seri 143-41-10 of 17th February 943.

.). The provision under reeling machinery is slightly increased to set the cost of countershafts, driving and speed reducing pulleys, lley covers, procelain buttons.

2) The cost of the steam stifling and conditioning items is stimated at Rs. 16,000/- after providing for an adequate size of lower to supply air, steam heating equipment and the conditioning oxes.

3) The cost of the boiler as landed at Kankanhalli is taken as . 18,500-0-0.

4) ~~Xxxxxxxxx~~ Steam Connection and Erection of Boiler:-

ne expenditure is expected to be Rs. 28,700/- as against Rs. 15,000 ue to the increase in cost of pipes, fittings and also the price of ire bricks and fire clay.

5) Water Supply:- The supply system had one source - a single well ue to the peculiar nature of the soil deep wells cannot be sunk n the filature site and several shallow wells with interconnecting ipes are expected to supply the Filature. The cost of pipes and ittings has gone up about 10 times. Due to these reasons, the xpenditure under water supply is expected to increase by Rs. 15,000-0-0

6) Electrical Installation:-

Due to the introduction independent traverse for each reel, he Horse-power of motors meant to drive the Reeling machines had o be increased. The cost of fittings and lamps has gone up by bout 300%. On this account, the expenditure under item is expected o go up by Rs. 8,500-0-0.

7) Work Shop Machinery:-

The controlled price of small lathe, a drill and a grinding achine was ascertained on the basis of the actual cost of these, nd the probable cost of installing them with the necessary tools nd plant the expenditure under this head computed at Rs. 4,500/- nd there is an increase of Rs. 2,500-0-0.

Items 8,9 and 11 have been taken together and the total cost s Rs. 20,000/-. against a provision of Rs. 11,000/-. Due to the general increase in the price of all kinds of materials required.

Item 10:- The controlled price of a small lorry is about Rs.6,500/- a suitable body with tools and partitions, racks, etc., for covering different lots of cocoons is expected to be about Rs. 2000/-. and the total expenditure Rs. 8,500-0-0.

Item ~~M~~ 12.:- Unforeseen Charges;

To meet the cost of conveying of the materials noted above and other contingent expenditure, increase provision is necessary. About Rs. 2,500/- is therefore provided in excess.

A B S T R A C T.

		Rs	a

III. Note on silk reeling industry in Mysore by Mr.Gaddum.

Some of the important points dealt with by Mr.Gaddum in his n
re: Mysore were discussed.

(a) Capital Cost per basin. Mr.Gaddum in his note had obser
that a sum of Rs.300/- to Rs.1500/- was the estimated cost per bas
on account of capital expenditure. The Chairman wanted to know
actual capital expenditure per basin in the different filatures.

The Managaer, Mysore Spun Silk Mills, Ltd., stated that the
figure would be about Rs.1700/- per basin.

Mr.N.Rama Rao stated that from the information available re
ting to their company filatures the final figure would be Rs.1600/
per basin.

Mr.V.Sundaramurthy stated that his cost was about Rs.1600/- p
basin at Yeswantapur and would be about Rs.2000/- per basin at Go
nur.

The Secretary stated that at Kankanhalli the figure would
Rs.2065/- per basin.

The Chairman observed that the maximum per basin was roughly
Rs.2000/-. In the case of the Mysore Silk Filatures, Ltd., the My
Spun Silk Mills,, the figures were low solely due to the fact tha
the two filatures had the expansion of their filatures in view o
and placed orders for materials etc., early. The increase in th
cost of certain materials did not affect them to a great exten

Proceedings of H.H.the Maharaja of Mysore.

READ:

1. G.O.No.D.5309-74/Seri 143-41-10 dated 17-2-1943 sanctioning the undertaking of a scheme for the expansion of filature silk in the Mysore Stat and stating inter alia, -(vide sub-paras 1 & 2 of para 2 in Part III of the schedule, annexure I) that the Govt. of India will advance moneys to this Government to be given as loans to private filatures to meet half the capital expenditure and that this loan in each case will be subject to a maximum, calculated at half the cost per basin incurred by the Govt. of Mysore for the same items, in respect of basins put up by them at Kaukaubali on behalf of the Govt. of India

2. G.O.No.D.5378-83/ Seri 143-41-12 dated 17-2-194 sanctioning the participation of private filature interests in the Expansion Scheme as per G.O. dated 17-2-1943 read in para 1, above under certain conditions, the Govt. of India agreeing to afford financial accommodation to the participants as detailed below:

Name.	No. of basins.	Half the capital cost required to be advanced.	Working Capital.	Cost of training labour & Supervisory staff.
The Mysore Silk Filatures,Ltd.,	550	Rs.3,30,000	Rs.5,50,000	Rs.1,40,525
The Mysore Spun Silk Mills,Ltd.,	160	Rs.1,00,000	Rs.1,37,000	
Vellum Parachute Silk Co.,.	500	Rs.3,50,000	Rs.5,00,000	
Total	1210	Rs.7,80,000	Rs.11;87,000	Rs.1,40,525

3. The proccedings of the Meeting of the Silk Filatu Expansion Committee held on 1-2-1944 recording the discussions on Mr.Gaddum's note on Silk Industry in Mysore, indicating the increase in the capital expenditure to a maximum of Rs.2,000/- per basin.

Circle, Madras, forwarding a note of Mr.S.K. (Deputy Director of Textiles, Govt of India)
Chaudhari's discussions at the meeting held between the Officers of the Govt of India & the S.O.,S.F.E.S.
at Delhi from 8th to 11th December 1943, recordi
inter alia, that the question of increased loans towards capital expenditure was agreed to subjec to the limit of half the cost of construction per basin at Kankanhalli filature and subject also to the guarantee of the Mysore Government for the due repayment of the loans.

5.Letter No.4047 dated 4-2-1944 from the S.F.E.Scheme,Bangalore, Special Officer,/forwarding a report of the Asst.Engineer in charge of the construction of the filature at Kankanhalli, indicating the revision in the capital expenditure and stating that on the basis of the figures available, the capital expenditure per basin would be Rs.2,065/- .

Office of the Special Officer,
Filature Expansion Scheme,
No. 162, Vani Vilas Road,
Basavangudi P.O.,31st March 1944.

To

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

With reference to Government Order No. D. 6036-7/ Seri. 96-43-17 dated 16th March 1944 recording the Proceedings of the meeting of the Silk Filature Expansion Committee and letters Nos. 19538/B dated 24th December 1943 and 4047 dated 4th February 1944 from the Controller of Supplies, South India Circle, Madras and from this office respectively re. the estimated increase in the capital expenditure of the filatures, I have the honour to request you to kinldy communicate specific sanction of Government for payment of half of the capital expenditure incurred by the private filatures subject to a maximum of Rs 1,000/- per basin which is half the approximate estimated revised cost of basins put up by the Government at Kankanhalli.

2. According to the provisions in the agreement with the filatures, the amount has to be advanced in stages according to the progress of work on the application of the filatures. The progress shown by the filature interests and the amounts drawn so far towards capital expenditure are noted below:-

	Number of basins erected.	Amount drawn so far.
1.Mysore Spun Silk Mills,Ltd.	80	Rs 41,927 13 0
2.The Mysore Silk Filatures,Ltd.	250	1,68,143 0 0
3.Vellum Parachute Silk Co.,Ltd.	128	3,37,535 5 0

3. The construction of buildings by the Mysore Spun Silk Mills,Ltd. is going on rapidly and basins are also being erected. The construction of buildings at Sidlaghatta and Mysore by the Mysore Silk Filatures,Ltd. is almost completed and the basins also have been erected. The construction work is going on rapidly at Santhemarahalli,Mamballi and Chamarajanagar. The buildings,etc. of the Vellum Parachute Silk Co. at Yesawantapur and Goribidnur are almost completed. Erection of reel tables is going on. A full report re. the estimated value of work done by Vellum Parachute Silk Co. has been submitted to Government in my No.4186 of 16th February 1944. Sanction of Government is awaited to pay to the Company a sum of Rs 12,464-11-0 towards capital expenditure and with this payment the total amount advanced will come up to Rs 3,50,000/-.

4. The Company has erected 128 basins only and has yet to erect 372 basins. As per revised figures,the further amount to be advanced to the Company will be Rs 1,50,000/-. It would probably be desirable that the amount to be advanced to this Company may be restricted to the maximum calculated on the number of basins actually erected and brought into

nto working condition,i.e, about Rs 400/- per basin newly
rought into operation.

I have the honour to be,
Sir,
Iour most obedient servant,

W. S. Thacker
Special Officer.

To

Rajamantrapravina
K. v. Anantaraman, B. A;
Minister for Revenue & Law,
Bangalore.

Dear Sir,

With reference to my personal representations to you the other day in Bangalore regarding advance from Government to meet the Capital expenditure, I write this to confirm the same.

The estimates of Capital expenditure as approved by the Government of India were prepared over two years ago and more than a year elapsed from the time the estimate was prepared to the time it was approved; and in the meanwhile, the cost of materials, etc., has increased considerably due to war conditions, which factor, though known to the Government only too well, was left out of consideration. Therefore, the estimate of Rs. Seven lakhs as Capital expenditure for 500 basins is hardly sufficient now to provide even half that number. According to the present estimates, the Capital expenditure will amount to over Rs. Ten lakhs. So, with the advance of Rs. 3½ lakhs now sanctioned by the Government, it will not be possible to complete the scheme.

So, for putting up the balance of machinery, I will have to find my own money or raise it from a bank. According to the Pledge deed executed by the company in favour of the Government, as all the property, present and future, and the floating assets of the company are to be treated as security to the Government, I may not be able to raise money from banks for capital expenditure unless a definite security is offered to them. As funds are immediately required to meet capital expenditure, I suggest the Government to give a letter to the company mentioning

the 325 basins which are to be erected out of other funds. With a letter on these lines, I could proceed to find funds and complete the erection of 500 basins without further delay. I shall be glad if the Government will kindly give such a letter as early as possible.

Before long, my figures of Capital expenditure, audited and certified by Messrs. Fraser & Ross will be ready. And as soon as the Government's revised estimates of capital expenditure are ready and further advances sanctioned and paid, the pledge to be created in favor of the bank will be automatically released.

To,
The Spl. officer, 28.5.44
S. F. E. Scheme.

To

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

With reference to para 2 of your letter No. D. 697 dated 4th May 1944 and no D 97 [illegible], I have the honour to state that the financial accommodation requi by the private filatures with reference to the revised maximum limits sanctioned by Government is indicated below:-

Name of the Concern.	Number of basins to be erected.	Half the capital cost to be advanced at Rs. 2,000/- per basin (Vide G.O.No. D 1936-7/S 96-43-17 dated [illegible])	Working capital at Rs. 1,600/- per basin (vide G.O.No. D 577 Seri 96-43-17 dated [illegible])	Cost of training labour and supervisor staff. (vid G.O.No. D -83/Seri 41-3 dated [illegible])
1. The Mysore Silk Filatures, Ltd., T-Narsipur.	600	6,00,000	9,60,000	69,690
2. The Mysore Spun Silk Mills, Ltd., Channapatna.	160	1,60,000	2,56,000	58,075
3. Vellum Parachute Silk Co., Ltd., Gorividnur	500	5,00,000	8,00,000	18,567 8
	1,260	12,60,000	20,16,000	1,46,332 8

In respect of capital expenditure the amount already claimed from the Government of India is only Rs. 11,93,000/- (vide enclosure to your letter No. D. 694/Seri. 121-42-25 dated 26th July 1944). The difference of Rs. 67,000/- may be also be kindly arranged to be claimed and recovered.

I have the honour to be,
Sir,
Your most obedient servant,

Special Officer.

~~Yours faithfully,~~

~~for SECRETARY TO GOVERNMENT.~~

To

The Special Officer, Silk Filatures Expansion Scheme in Mysore.
The Controller to Government of Mysore.
The Deputy Controller of Supplies (Silk), Basavangudi, Bangalore.

Sen 96-43-49. 460

DEPARTMENT OF SERICULTURE.

Office of the Special Officer,
Filature Expansion Scheme,
"Jaya Vihas", Vani Vilas Road,
Basavangudi P.O.,31st January 1945.

To

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

Adverting to Government Order No. D. 4378-9/Seri 96-43-# dated 8th January 1945 sanctioning the maximum fir cial accommodation that could be given to the private fila interests towards capital expenditure, working capital and grant towards training labour and supervisory staff", I hav the honour to state that in respect of the Mysore Silk Fil tures, Ltd., T-Narsipur, and the Mysore Spun Silk Mills, Ltd Channapatna, the amounts to be advanced towards half the capital cost at Rs. 1,000/- per basin work up to Rs. 6,00, and Rs. 1,60,000 as against Rs. 5,45,000/- and Rs.1,48,000 shown in the Government Order as the maximum limits. I therefore request you to kindly intimate early whether the payments to the filatures at Rs. 1,000/- per basin should restricted to the maximum amounts of Rs. 5,45,000/- and Rs. 1.48.000/- shown in the Government Order.

I have the honour to be,
Sir,
Your most obedient servant,

Special Officer.
